On a separate sheet of paper please respond to ONE (1) of the following questions in an essay of 500 words or less. Put your name and date on the top of the page.

- What are you interested in studying in your further education and how does that apply to your career plans?
- What do you consider to be the most important issue in society today, what can be done to address it, and what role can you play in that?
- What school activity (club, assignment, project, etc.) most affected your approach to life and why?
- What have you done in your four years of high school that has made a difference in the life of another person?

**Send Completed Application to:**
